

2017-2018 LEGISLATIVE SCORECARD

ABOUT THIS SCORECARD

Cornerstone's 2018 legislative scorecard selects 14 roll call votes in the New Hampshire Senate and 18 roll call votes in the House from the 2017-18 legislative session. The Raw Score reflects the actual percentage of votes in which a legislator supported Cornerstone's agenda. The Raw Score does not provide any adjustment for missed votes (either excused or unexcused), which is why it may differ from the Overall Score, which does not penalize for missed votes.

In addition to overall scoring, each of the NH House votes selected was grouped into six categories with a score for category. Each vote is weighted equally within each category.
